## FROM YOUR RECTOR

### The power of words

A group of frogs were travelling through the forest when suddenly two of them fell into a deep pit. All the other frogs gathered around the pit. When they saw how deep the pit was, they told the two frogs in the hole that, for practical purposes, they were taken for dead. The two frogs ignored the comments of their friends and kept trying to jump out of the pit with all their might. The others continued to insist that their efforts would be futile.

Finally, one of the frogs took heed of what the others were saying and gave up. She collapsed and died. The other frog continued to jump as hard as he could. Once again, the crowd of frogs yelled and beckoned him to stop suffering because, simply, he was about to die; it was in vain to keep fighting. But the frog jumped with increasing force until finally he managed to get out of the hole. When he came out, the other frogs said to him, "we are glad that you made it out, despite what we screamed." The frog explained to them that he was deaf, and he thought they were encouraging them to try harder and get out of the hole.

Let's remember that your words might just have the power of life and death in them. One destructive word said to someone who is down can be what ends up destroying them.

Let's be careful with what we say. The Bible puts it like this, *"Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. Ephesians chapter 4, verse 29."*

In NASA, in the USA, there is a beautiful poster of a bee, which reads: "Aerodynamically, the body of a bee is not made to fly; the good thing is that the bee does not know".

Therefore, be an encourager, the world has plenty of critics.

# NEWS FROM ALL SAINTS' AND ST MARK'S

## *The Binfield ARC project: Fundraising for essential repairs to our historic Parish Church*

*All Saints' Church Needs Your Help!*

Donations Received Since Project Launch: **£172,164**

Charitable Grants: **£42,000**

**NEW PHASE 2 TOTAL: £53,390**

Phase 2 Estimated Cost: £260,000

### Fundraising Update:

As the repairs team are looking to kick off the next round of Bat Surveys at All Saints' (we have to make sure that none of our protected friends would be disturbed by any work on the building), we're excited that a date has now been set for the second Ladies Clothes Exchange/Swishing Evening: Friday 13<sup>th</sup> July.

Our first event was really successful, with a great group of ladies enjoying a fun evening and coming away with new pieces for their wardrobes, plus lots of money raised for the project! Have a look on the website for tickets, and more info on how the evening will work, photos, and details of when you can drop off any good quality, clean items you wish to donate. Tickets will also be available to buy from the church office...

We are grateful to Sandra Sherriff-Meyer who nominated our project for the Bracknell Forest Recycling Incentive scheme. If you collect points from your blue bin recycling, donate them to the ARC project through their website and we will receive part of the pot of £1000! If you don't already collect points, register now and you will still have time to start collecting and to donate before 31<sup>st</sup> July. The ARC website has links and more information.

We're also working on a couple of ideas for the summer and even for Christmas, so watch this space!

If you have any other ideas or requests for a fundraising event, please let us know.

With thanks from the Fundraising Team

# CHILDREN'S AND YOUTH GROUPS

**Hey Everyone!**

We hope you're getting to enjoy some of the lovely weather we've been having as we're getting ready for the summer holidays! Here's what we've been up to this month...

At Whizz Kids we've been talking about friendship, what makes a good friend and how we can keep our friendships growing. We drew around Lily on a huge piece of paper and filled it with all the things that we think make a great friend, like being kind and helpful, and encouraging people to do their best. We also made watering cans, to remember that just like with plants, we need to look after our friendships otherwise they will wither away! We've also been playing with kinetic sand, giant building blocks, and now the weather is nice we get to go outside and blow off some steam.

In other news, SUMMER CLUB is back for 2018! On the 25th, 26th, and 27th July we will be open for the morning for activities, crafts and fun with anyone in school years 1-6. If you'd like more information, to book your kids on for the club, or would be able to volunteer for one of the days, please send me an email and I'll be in touch! Poster is on the back page of the Beacon.

At Oasis we've started our series on identity, figuring out who we are and what we're here for. We've been doing loads of activities which have been helping us understand our worth, and what God says about us. And of course, we have lots of food and fun along the way! We've also been brainstorming ideas for socials we can do, so watch this space for trips out...

The Father's Day BBQ is back! Bring your Dads or anyone that looks after you along on 17th June. It will be at 12pm at St. Mark's after the All Age service, absolutely anyone welcome and a free beer for all men!

Thank you for all your continued support with the Children's and Youth work, we couldn't do it without you.  
See you next month!

## Binfield CE Primary School (VA)

### We are officially 'Good'!

We had some excellent news as we broke for the Easter holidays, with confirmation that we have been awarded 'Good' at our recent Ofsted inspection. The Ofsted report commends us on our high ambitions for all pupils, warm and inclusive community atmosphere and the positive attitudes of pupils and staff, which fosters strong relationships with a sense of teamwork and trust.

We are particularly pleased that the inspector also recognised that: *"The school offers a broad and rich curriculum." "Spiritual, moral, social and cultural development is promoted very well." "Pupils' behaviour in lessons and their conduct around the school are very good. They socialise well and older pupils take responsibility for younger ones."*

Finally, It was especially pleasing that the inspector recognised the very valuable work of Friends of Binfield School (FOBS), our PTA and the contribution this has had on us being able to make some of our improvements.

We were given some 'next steps' to help us work towards an 'Outstanding' grading in the future, and have already started work on these to make our school even better!

### A 'hub' of new technology

We are very excited to announce that, over the next few weeks, we will be introducing the children to all the new technology that FOBS helped us to purchase recently. In KS1 (Infants), the children will be using LearnPads (very similar to iPads, but designed specifically for education). In the Juniors we have purchased small laptops with a detachable tablet screen. This technology will enhance learning across the school, enable the children to deepen their knowledge and develop their independence, as well as giving them another Power Tool during lessons.

We could not have achieved this massive project without a huge amount of support from FOBS, as well as fabulous amounts of enthusiasm from governors, children and staff. Thank you to all involved and we look forward to showing off the learning we produce!

### Starting School at our School in September?

If your child is starting school with us in September, you should have received a letter from us regarding our New Reception Parents Evening, which will take place on **Thursday 21<sup>st</sup> June at 6.30pm**. This will be your opportunity to learn a little more about our school and what to expect when your child starts with us. The evening will include a presentation from the Headteacher and Reception staff, followed by the opportunity to visit the Reception classrooms and talk to the staff that will be teaching and caring for your child. Additionally, our Catering Manager, Mrs Bell, will be providing 'nibbles' to demonstrate how delicious our school's meal provision is!

If your child is joining Binfield Primary School in September, please don't forget to order their uniform in good time, ideally this month to ensure full availability. Full details of uniform and how to order can be found on the school website, [www.binfieldschool.co.uk](http://www.binfieldschool.co.uk)

### After School Club vacancy

Do you enjoy working with children? Are you looking to earn some extra money by working in the afternoons, term-time only? If so, we may have the job for you!

We currently have a vacancy for an After School Club Playworker, working between 3.00pm and 6.00pm Monday – Friday during the term. Job share would be considered and pay is £8.45ph.

The role includes supervising the children, ensuring their safety at all times, engaging with them in aspects of play and conversation, setting up activities for children to optionally take part in, meet and greet parents and provide them with feedback on their child's time at the club.

The ideal candidate must be enthusiastic, honest, reliable, hardworking and most importantly willing to have fun and enjoy working with children!

If you would like more details, please contact

[ian.brien@binfieldschool.com](mailto:ian.brien@binfieldschool.com)

Application forms are available from the office.

### FOBS need YOU!!!

Our PTA, FOBS, has enjoyed a great level of success over the last few years and we would all very much like for that success to continue. As a team, they have been able to support the school to a sum of over £20k each year for the last three years. Some of the core committee members will be standing down at the July AGM, and would like to take this opportunity to invite you to join the FOBS team and perhaps take on one of these roles. No previous experience is necessary, and you will not be left alone, there is a whole team of people to help you! All positions in the committee are voted on at the AGM, but this year the positions of Chairperson and Treasurer will need to be filled.

If you are interested and would like to find out more about the roles or FOBS in general, please email the FOBS secretary at [fobs@friendsofbinfieldschool.co.uk](mailto:fobs@friendsofbinfieldschool.co.uk)

## Could drama help your child grow?

With a thriving community and a strong desire among parents for giving their

children a great start to their young lives, Binfield is a great place to live.

With this aim in mind, Binfield resident and mother of three, Emma Kadri-Langford, decided to do her bit by inspiring local children through the fun of theatre and set up the Little Drama Company in 2017.

Emma admits she was a shy child with low self-esteem and a lack of belief in her own abilities, until one day, everything changed. "A touring theatre company delivered a workshop that had me hooked. I was so amazed by the whole magical experience that I discovered a lifelong love for drama."

Emma believes that, "With education increasingly focused on academic study, there is less time allocated to more creative subjects such as drama and that now more than ever, it should be offered outside the school setting."

According to the National Mental Health Information Centre, children with higher self-esteem are better able to deal with their good and bad emotions. In short, developing self-confidence can help children to achieve future success and happiness.

Emma highlights that drama techniques help improve a child's emotional intelligence, and develop that all important self-esteem.

"It's amazing to see the change in some of the children. We've had shy children, learning to express themselves, making friends and clearly gaining confidence, and we've seen naturally extroverted children embrace a platform that allows them to build language and communication skills."

Confidence gained from learning performing arts skills applies to school, career, and life. As adults, we are drawn to more confident people, who tend to be more open, engaging and positive. They tend to put themselves forward more as they trust their own talents and abilities. They perhaps try just that a little bit harder and don't give up quite so easily, which of course helps them succeed more often. And that is what we all want for our children.

### Update on Foxley Fields at Benetfeld Road

Work is progressing well on the Parish Office Extension project at Foxley Fields. By the time you read this the timber frame will be on site, if not in position. The contractors have made good progress with only slight delays (the weather and the timber frame taking longer than expected) and we hope to be moving back into the building before the end of October. You may have also noticed that bunds (raised grassed areas) have started to appear around the edges of Foxley Fields alongside Benetfeld Road. These are useful in deterring unnecessary vehicular access to the field. The Games Court has also been recently repainted in its green and yellow.

### Accounts for the 17/18 Year

The accounts have now been finalised and details are available on our website. You can find the Annual Governance and Accountability Return 2017/18, the end of year reporting of Community Infrastructure Levy (CIL) receipts and spending, and other quarterly financial information. There is also the Notice of appointment of date for the exercise of public rights to advise you of the dates when you can inspect and make copies of the accounts to be audited and all books, deeds, contracts, bills, vouchers and receipts relating to them. This year the period runs from 4 June to 14 July. You also have the right to contact the auditor PKF Littlejohn – details on the notice.

### General Data Protection Regulation (GDPR) – new policies adopted

In line with the new Data Protection regulation the Parish Council have adopted new policies which can be viewed on our website.

### 2018/19 Parish Council S137 grant applications open!

The Parish Council awards grants in accordance with its powers under Section 137 (S137) of the Local Government Act 1972. The awards should be made by the Council in the interests of the area and its inhabitants and should benefit them in a manner commensurate with S137 Budget. The Parish Council meets twice every financial year – July and January – to consider its S137 grant awards and have set the total fund for 2018-2019 S137 grants at £12,324.

The first grant application round will be considered in July 2018, key dates are:

<b>25 June 2018</b>	<b>Closing date for Grant Application Forms</b>
10 July 2018	Parish Council meeting to agree grant awards
14 August 2018	Grant award payments list approved

How to apply: Download a Grant Application Form and the Grant Policy from our website at the Grants page.

### Binfield Environment Group – Practical Conservation Days, volunteers needed!

The focus for the June dates (16/17 June) are to be confirmed – please check the Group's Facebook page for further information as this becomes available. All are welcome to attend and lend any time they can between 10am-2pm. Tools will be provided but sensible shoes/clothing are advised as well as bringing your own refreshments.

## Binfield Garden Club

Thursday May 3<sup>rd</sup> was our Annual Plant Sale and what a great evening it was! We saw members' families enjoying themselves plus many new faces. It was a wonderful opportunity for

Binfield residents with new gardens looking for easy to grow plants at bargain prices and also for those with established gardens who needed to stock up on extra plants. Many visitors also took advantage of plant advice from club members and thoroughly enjoyed the mouth-watering cakes on offer. The hall was full with the buzz of people buying, eating, drinking and chatting, and having goes at the bumper tombola.

Many thanks are due to all the committee and helpers who nurtured and provided the huge variety of plants, baked cakes and served teas, ran the tombola and other stalls and cleared up afterwards! All in all a great success with several hundred pounds raised for the club funds and our 25<sup>th</sup> anniversary celebration next year.

The following week was our first outing of the year to Compton Acres, Poole. It really was an excellent day with smooth journeys, beautiful weather and time to fully enjoy the gorgeous gardens. The Japanese garden azaleas were in their full glory and the masses of tulips were stunning. Thank you to all who arranged it and we look

forward to our next visit to West Dean Gardens, W Sussex.

Next month's meeting is a talk on 'Must see' Surrey Gardens by Cherrill Sands who last came to give a talk to us in 2015. With the benefit of a varied landscape, gentle climate and proximity to London, Surrey has many fine gardens, through formal 17th century examples, planned Victorian parks, Arts and Crafts delights to modern designs of the 20<sup>th</sup> century. It should be a very interesting evening. The competition is for a vase of roses, 3 stems or one.

All visitors are very welcome at Memorial Hall, 7.15pm on 7<sup>th</sup> June. See our website [binfieldgardenclub.wordpress.com](http://binfieldgardenclub.wordpress.com) for full details and on facebook.

## The Binfield Belles

Spring has sprung or so we think and as we look forward to longer days. Our meeting in April was full of the Belles and not bluebells. Every month we welcome new members but still love catching up with the older members; some have been in Binfield WI for many years. None for 100 of course and every month we talk about our centenary.

Our meeting opens with lots of chatter and the members settle down; Jerusalem is sung, birthdays acknowledged and then our speaker Peter Haig begins an interesting talk about West Wycombe Park and the Dashwood family with some lovely slides of this Estate. The family have an interesting past with the Hell Fire Club which was dedicated to gentlemen's dubious pleasure and entertainment,

It produced some hilarity and we will consider a visit in the future. Nothing stands still in our group and we have plenty of needlework to do on our new tablecloth, which will have all the current member's names embroidered on. Some members are brilliant at this and will do the work for members who can't or don't want to. My embroidery skills are rusty but have attempted a couple of them, so will pass on to more able members. A theme of lilac and pink Hydrangeas has been chosen; this is the same as the flower Festival and these will be added to the centenary dates. I then proceeded to iron the cloth and ironed off the newly written signatures, so I was not popular as you can imagine.

We are doing a small **Suffragette Walk in Bracknell on June 2<sup>nd</sup>** leaving the Peel Centre at 11.00am. Some members will be in Suffragette costume; we have sashes and ribbons and a few posters. It is 100 years of getting the vote and we are very proud of all they gave to the cause.

Our big event is **the Flower and Craft Festival at All Saints' Church** in the village **on June 23<sup>rd</sup> and 24<sup>th</sup>**. Our lovely members have produced some wonderful craft. Flowers displays are being arranged in all parts of the church, we have a WI market on display and a wonderful cake with all handmade flowers. We have depicted 100 years of Binfield and WI campaigns. Archives will be on display and we have tea and cake a plenty. This is a free event for the village and showcases the WI. Friends, neighbours, children; all welcome with plenty of parking behind the church.

Our next meeting is on June 14<sup>th</sup> with guest speaker Christopher Allen: "an introduction to green woodwork". New members welcome - details for above or flower festival please get in touch:

## June Update

Well as you can imagine it's a busy time for us due to the Royal

Wedding, this unfortunately took us away from our normal duties for a few days but we are now back with you as it is over. We also have a few staffing changes that have happened quite quickly but it does finally bring the Northern Parishes Policing Team up to full strength by July! We are very sad to be losing PC Darin Stone who is transferring to another department at the end of May. He will still be based locally and so you may still see him in the area. In his place we look forward to welcoming PC Lucia Watkinson who brings a wealth of experience and enthusiasm with her. PC Corinne Mullar who looks after Priestwood returned from maternity leave

at the start of May and she will be joined by PC John Daltrey in July. PCSO Magda Molenda has moved across to Binfield/Warfield from Great Hollands and will take over the Speed Watch initiative. We have also welcomed PCSO James Dolton to the team and have another new PCSO Marcus Gore in training at the moment. We have been a few staff members down for some time so our new team members will enable us to get more done in the community.

As we approach the summer months please all keep an eye out for your vulnerable neighbours and family members as rogue traders start to ply for work (builders/gardeners etc). You can contact us or Trading Standards at BFC for further advice on this.

Thanks, PS Cass Oswald and the team.

## Local Family Looking For Land! (Potential building plot)

Do you have a small parcel of land that you are looking to sell? Do you have a large garden you have considered fencing off and selling? We are a local family (not a developer) looking to build a family home in the Binfield area. We have strong ties to Binfield (our children went to the local school and we attend All Saints' Church) and we would love to stay in this area.

If you or anyone you know has a plot of land, we'd love to hear from you!

## Binfield Library News: June 2018

*"The castle grounds were gleaming in the sunlight as though freshly painted; the cloudless sky smiled at itself in the smoothly sparkling lake, the satin-green lawns rippled occasionally in a gentle breeze: June had arrived."*

Harry Potter and the Order of the Phoenix by J.K. Rowling

This month will see me visiting our local schools to promote the Summer Reading Challenge for children aged 4 - 11 years. It's a national challenge and the biggest reading event for children in libraries. Thousands of families all over the country take part and the aim of the challenge is to get children to read any six books of their choice from their library during the summer holidays. Every year there's a different theme and this year I'm sure parents will be as excited as the children because it's inspired by a much-loved iconic children's title but I can't tell you yet, it would spoil the surprise! This challenge is completely free; all your child needs is a library card so if they're not a member join them up so you they can start the challenge on Saturday 14th July.

So what have we got planned for you this month? Well here's a quick summary of dates for your diary:

### Children's Events:

We have Bounce & Rhyme sessions for pre school children every Thursday at 9.30am and we're lucky to have Jackie Thornton hosting on the 1<sup>st</sup> Thursday of the month. The library opens at 9am perfect timing for after dropping off your older children at school. Singing is followed by a Tots craft with lots of glue and messiness, a must for your Tots! Sadly due to the financial constraints placed upon us this is now charged at £1 per child but this includes the singing, the cuppa and the simple craft.

Our children's craft sessions continue on Tuesdays at 3.30pm with a charge of £1.20 per child.

Lego is on Monday 4<sup>th</sup> June straight after school. This is a free session for all budding brick builders no matter what your age and a chance to put your masterpieces in our show cabinet for all to see.

### Adult Events:

Knit and Natter is on Monday 4<sup>th</sup> June and Saturday 16<sup>th</sup> June. New knitters are very welcome; we need to hear more nattering please.

Brain Gym is on Thursday 14<sup>th</sup> June at 11am. Be prepared to exercise that grey matter! Refreshments served for 50p.

The Binfield Film Group is still going strong but we are in need of some male input!! Come on gentlemen we need your comments. The group of film buffs meet monthly to discuss the film and the next meeting is on Tuesday 19<sup>th</sup> June at 3.00pm. Refreshments served for 50p.

Are you new to Binfield? Why not come along to our Coffee morning and Quiz, it's lively, fun and a great way to meet new people; it's on the last Thursday of the month—28<sup>th</sup> June.

Rummikub is on the last Friday of the month which makes it 29<sup>th</sup> June. We play both the numbers and

letters version of this game and novices are always welcome. Refreshments served for 50p.

Our drop in book group meets on the last Monday of the month so will take place on Monday 25<sup>th</sup> June at 5.30pm. We're pleased to say we have a few regular members but there's always room for more.

And finally we have a Saturday afternoon quiz for adults once a month on the first Saturday which will be 2<sup>nd</sup> June.

Now I know the weather is getting better but that's no excuse to stop borrowing books, pick up a paperback to read in the garden, on the beach or beside the pool. Come in to buy your garden sacks, renew your bus pass or simply have a chat. This is your Library, so please use it so we don't lose it. We aim to provide services and activities to meet your needs, so let us know how we are doing and don't forget parking is absolutely free on a Saturday.

We look forward to welcoming you to the library.

The Binfield Library team  
Robert, Chris, Margo, & Sar

### Summer is /was\* here !

(\*delete as appropriate)

The first full weekend of May brought sunshine, a first for the club with all three Saturday teams winning their respective matches – and a very successful intra-club

ladies and girls soft-ball fun day on the Bank Holiday Monday. We are hosting another Inter Club ladies festival on June 17th, and remember our Women's training is every Monday evening. If you want to try something different, please just pop down and give it a try. You'll be sure of a warm welcome.

June is another busy month fixture wise – and will also see tickets go on sale for the ever popular Party Bye the Pitch event we run with Binfield Scouts that is on Saturday 7th July. Last year we sold out a couple of weeks before the event – so if you want to be part of THE summer village event, book early !

Looking forward to seeing as many of you at the club soon, weekends were made for lazing around watching (or playing) cricket.
